Competition Specific Rules

The match is to be decided by overall shots, over 3 rinks of 4 players playing 18 ends.

Failure to field 12 players shall result in a walkover in favour of the opponent.

Should the match end in a tie after 18 ends on each rink, ALL RINKS will play an extra end until a result is reached.

Players must not have played in the Middleton Cup in the last 10 years.

Rounds up to and including the Quarter Finals should start at 2:30 unless otherwise mutually agreed.

Rounds up to and including the Quarter Finals are played at home greens, in greys.

The semi-finals and finals will be played at pre-determined venues, on the same day.
